Building on the Legacy... **of the Premiere** **Christian Apologist** **of the 20th Century**

NORM GEISLER INTERNATIONAL MINISTRIES

God raised up the late Dr. Norman Geisler at a critical period of transition in the culture and the church. He became the singular voice that established a comprehensive foundation for integrating faith and reason. He was the first to see the value in using a classical, two-step apologetic approach as opposed to merely an evidential approach in witnessing to a postmodern

generation. He developed a three-tiered model that integrates apologetics, philosophy, and theology, and authored over a hundred books that have impacted the foundations of evangelical Christianity, including *The 12 Points That Show Christianity is True*. Over a 60 year career in ministry, he has taught, mentored or influenced many of today's top Christian leaders... *This is only the beginning.*

Applied Apologetics

NGIM integrates the teachings from Norm Geisler's **apologetics**, Norm and David Geisler's **evangelism**, and Edmund Chan's **discipleship** to create a comprehensive practice for *living a Christ-first life*.

NGIM is a 501(c)3 nonprofit.
