Mission: To mentor leaders who seamlessly integrate a classical apologetic approach with evangelism and discipleship to cultivate Christ-first generations.

Vision: To be a catalyst for a global movement of applied apologetics to change the culture for Christ.

Intentional Disciplemaking
That Redefines Success In Ministry

HE WAS LOOKING FOR ANSWERS... AND FOUND SO MUCH MORE.

NORM GEISLER:

NOT QUALIFIED

Norm Geisler discovered early in his spiritual journey:

- 1. That faith and reason are more compatible than some Christians realize.**
- 2. That there is an appropriate way to use apologetics (Christian evidence) in our witness to others and yet in partnership with the Holy Spirit.**
- 3. We have more common ground in witnessing to non-believers than they realize.**

The devil has a plan to distort the truth in order to weaken our faith and dilute our witness.

- 1. ...that faith and reason are more compatible than some Christians realize.**
- 2. ...that there is an appropriate way to use apologetics (Christian evidence) in our witness to others and yet in partnership with the Holy Spirit.**
- 3. ...that we have more common ground in witnessing to non-believers than they realize.**

Important Things To Know About Our Faith

1. *Biblical faith must have an object to be valid.*
2. *Our faith is not a blind faith, It is a faith with reason.*
3. *It is a faith that is supported by evidence.*
4. *Our subjective experience of Christ is only valid if it corresponds to an objective truth.*
5. *The bible makes an important distinction between “belief that” and “belief in.”*
6. *Our faith goes deeper than knowing things about God!*
7. *In better understanding our faith, we need to remember that God’s truth goes beyond reason but never against reason (2 Cor. 1:18; Titus 1:9 ESV).*
8. *God’s truth can be a mystery.*
9. *I can trust God for what I don’t know because of what He’s revealed to me that I do know.*
10. *Christianity is a system of truth, with some error in minor details, all other religions in the world are a system of error with some truth.*

Norm Geisler discovered early in his spiritual journey...

1. ...that faith and reason are more compatible than some Christians realize.
- 2. ...that there is an appropriate way to use apologetics (Christian evidence) in our witness to others and yet in partnership with the Holy Spirit.**

Understanding Faith, Reason, Apologetics and Evangelism

- 1. Apologetics and Evangelism worked hand In hand in the New Testament.**
- 2. The apologetic imperative could even mean simply removing barriers.**
- 3. Intellectual barriers are never the primary barrier that keeps someone from coming to Christ.**
- 4. Remember that using apologetics in our witness to others is never enough to save anyone because we also need the work of the Holy Spirit.**

Norm Geisler discovered early in his spiritual journey...

1. ...that faith and reason are more compatible than some Christians realize.
2. ...that there is an appropriate way to use apologetics (Christian evidence) in our witness to others and yet in partnership with the Holy Spirit.
- 3. ...that we have more in common ground in witnessing to non-believers than they realize.**

Understanding Faith, Reason, Apologetics and Evangelism

1. God's Truth is written on our minds (Rom. 1:18-20).
2. God's Truth is written on our hearts (Rom. 2:14-15).
3. We share some similar philosophical ideas with non-believers that we can use to build common ground (1 Cor. 9:22; Rom. 1:20).
 - We both believe in objective truth.
 - We both believe that truth corresponds to reality.
 - We both believe the laws of logic apply to reality.

IF WE ARE GOING TO BE MORE EFFECTIVE TODAY

**We need to be like

(1 Chronicles 12:32)

A 2019 Barna poll revealed that almost half (47%) of all practicing Christian millennials think sharing your faith is wrong.

“Yet 94-97% agree that the best thing their friends and loved ones can do is come to faith in Jesus.”

These Findings?**

In 2019 the Barna Group asked 1,001 non-practicing Christians about the “qualities... they value in a person with whom they would talk about spiritual matters” and presented the following results:

1.62% said they would talk to someone about faith who “Listens without judgment.”

2.50% said they would talk to someone about faith who “Does not force a conclusion.”

3.43% said they would talk to someone about faith who “Allows others to draw their own conclusions.”

a certain kind EVANGELISM,
a certain kind of APOLOGETIC,

Note:

We need to add apologetics to our evangelism, but it needs to be a certain kind of apologetics.

Being Ready (1 Peter 3:15)

Being ready in witnessing today means practicing a classical two step model that uses a 12 Points approach.

The Twelve Points Consists of:

**Establish
Theism**

**Establish
Christianity**

The Apostle Paul kept in mind this two step...

The Apostle Paul's approach was different depending on the worldview of the audience he spoke to.

12 STEPS IN ESTABLISHING THE CASE FOR CHRISTIANITY

1. Truth about reality is knowable.
2. The opposite of true is false.
3. It is true that the theistic God exists.
4. If God exists then miracles are possible.
5. Miracles can be used to confirm a message from God.
6. The New Testament is historically reliable.
7. The New Testament says Jesus claimed to be God.
8. Jesus' claim to be God was miraculously confirmed by:
 - a. His fulfillment of many prophecies about Himself;
 - b. His sinless and miraculous life;
 - c. His prediction and accomplishment of His resurrection
9. Therefore, Jesus is God.
10. Whatever Jesus (who is God) teaches is true.
11. Jesus taught that the Bible is the Word of God.
12. Therefore, it is true that the Bible is the Word of God (and anything opposed to it is false).

The Bottom Line:

Adding a classical apologetics approach to your faith is critical, especially in your witness today!

a certain kind **EVANGELISM**,
a certain kind of **APOLOGETIC**,
and a certain kind of DISCIPLESHIP.

**Remember Matt. 28:19 doesn't teach
us to **go and make converts only!****

Go therefore and make disciples of all
nations, baptizing them in the name of the
Father and of the Son and of the Holy
Spirit,²⁰ teaching them to observe all that I
have commanded you. And behold, I am
with you always, to the end of the age.”

(Matt. 28:19-20)

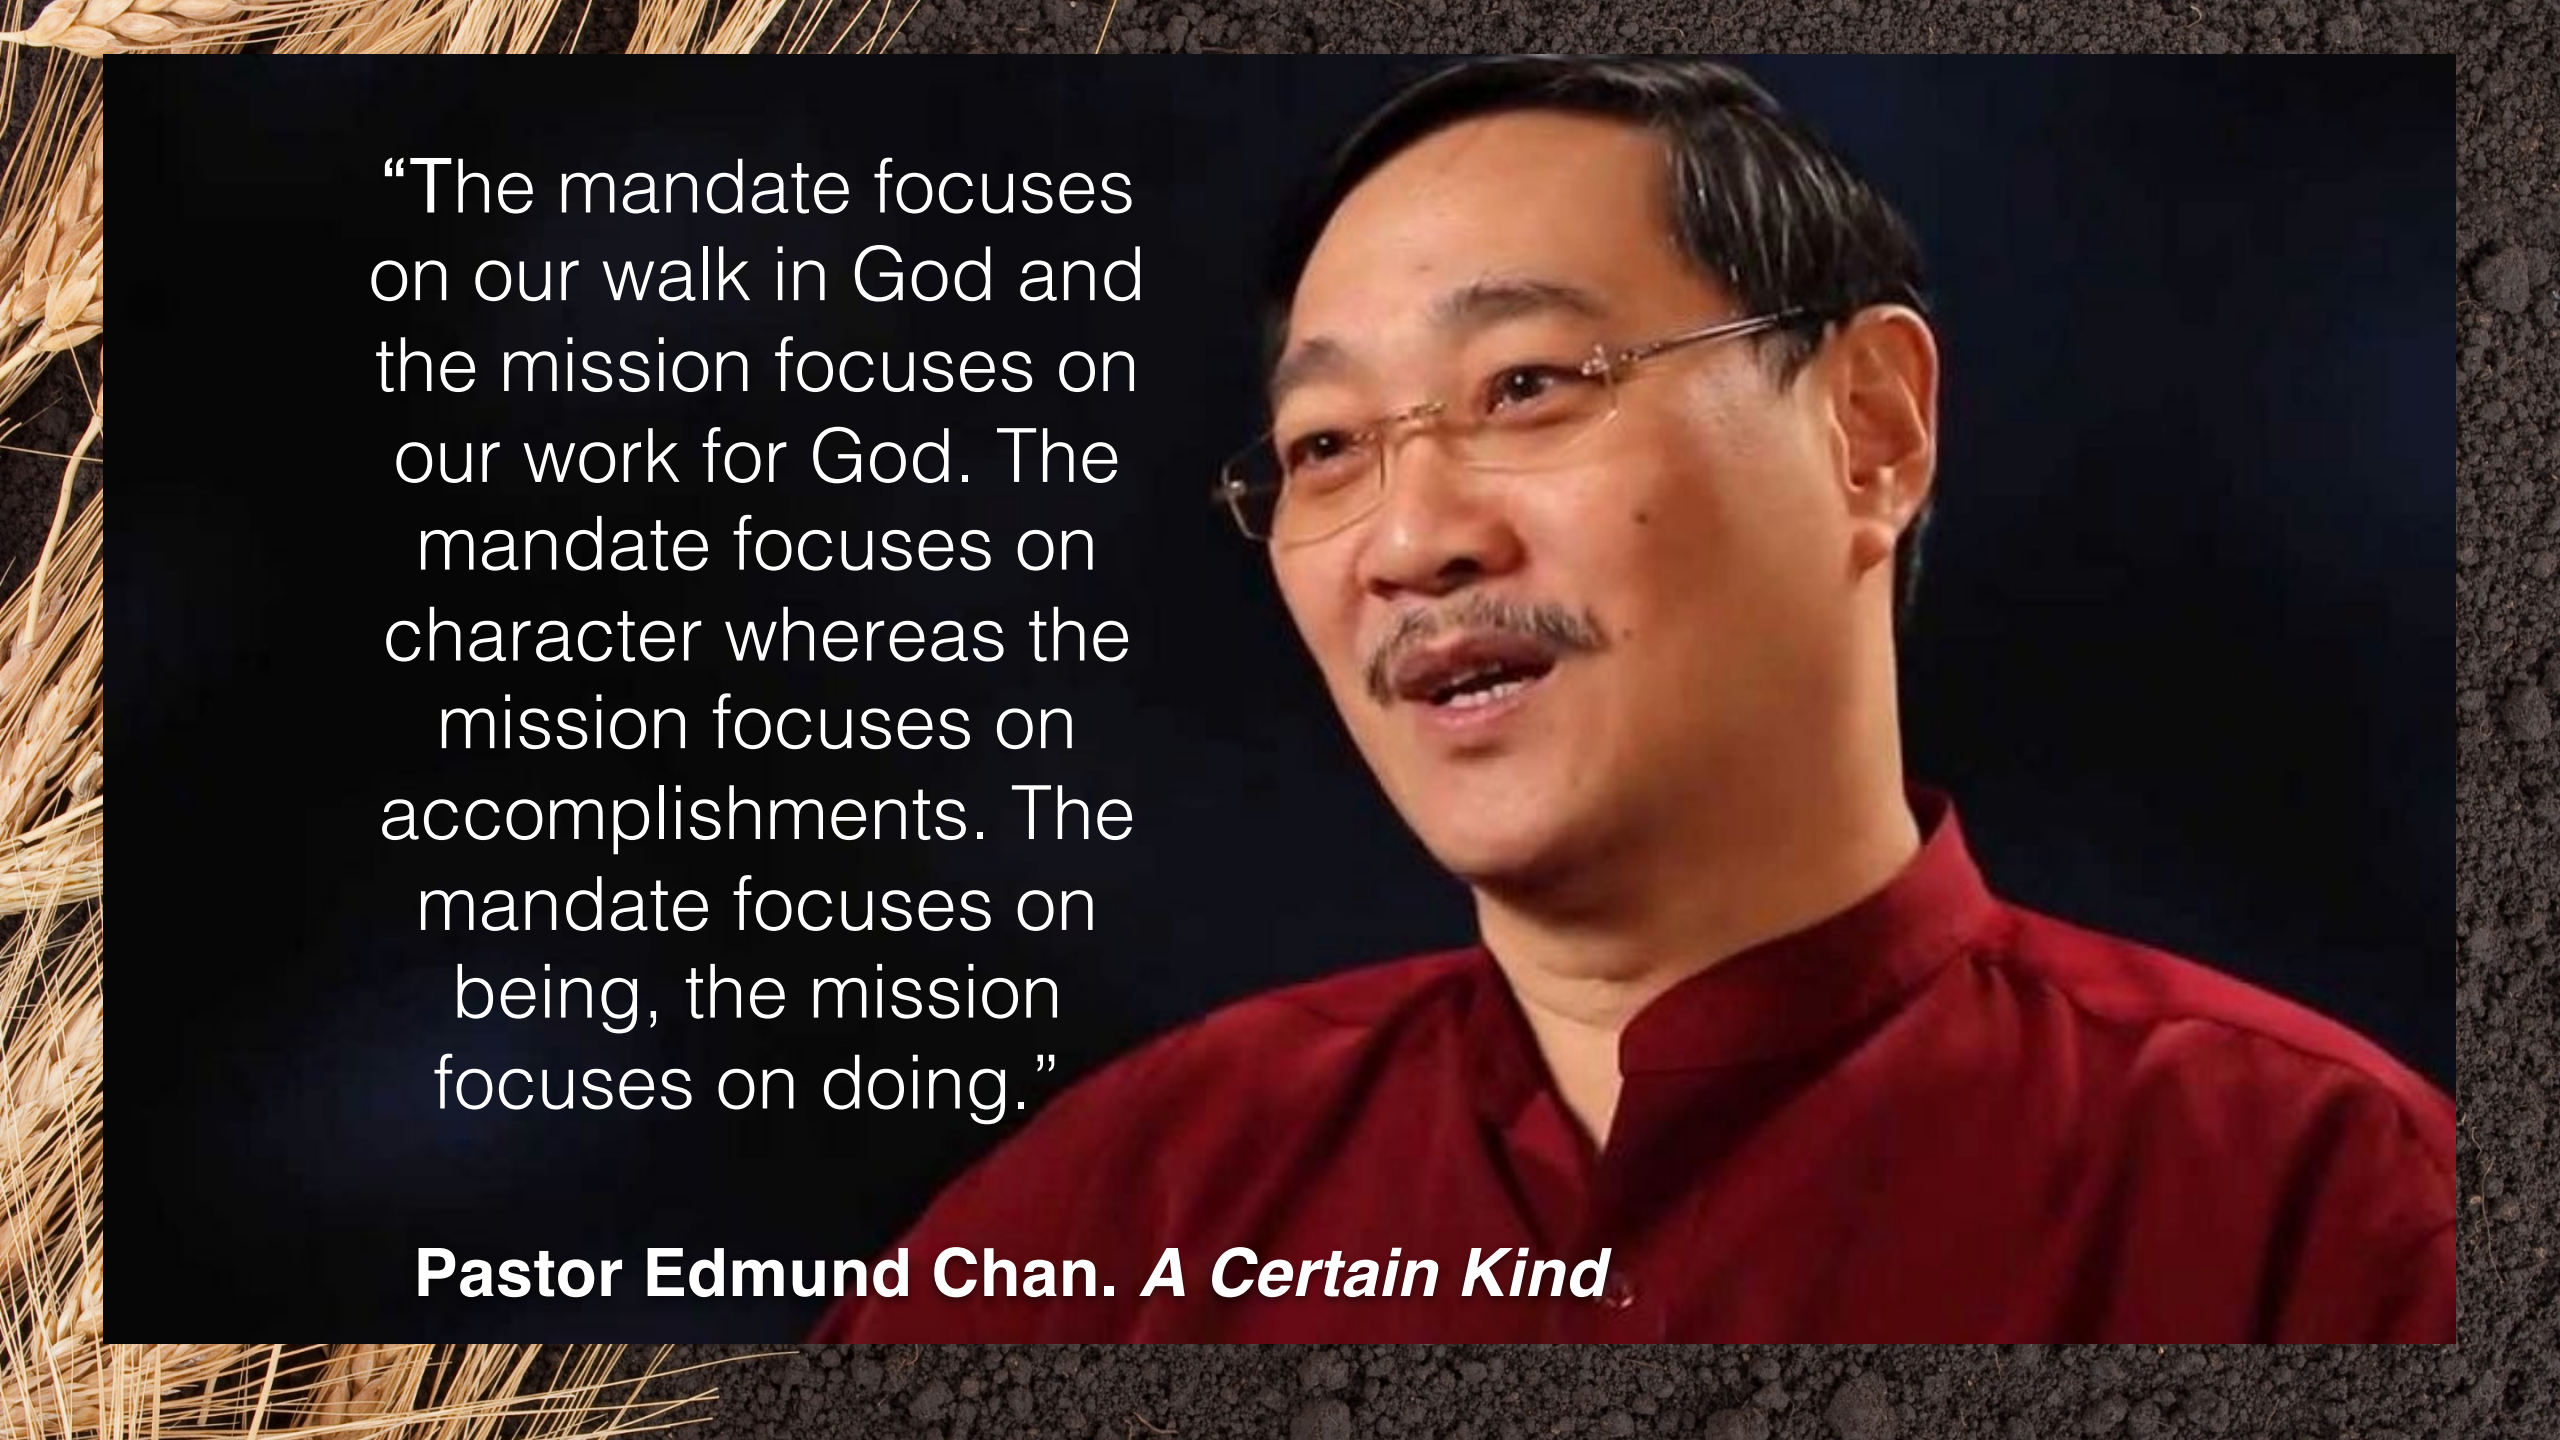

**We also need to add a certain kind of
DISCIPLESHIP to our evangelism and
apologetics if we are going to be
fruitful disciples of Christ in the
culture we live in today.**

DISCIPLESHIP

To be truly effective in witnessing today we need to remember to actively blend apologetics, evangelism, and discipleship.

Whereas the key to **rootedness** is abiding in Christ, the key to **restedness** is abiding in the word of God.

DISCIPLESHIP

To be truly effective in witnessing today we need to remember actively blend apologetics, evangelism, and discipleship.

Rested

DISCIPLESHIP

To be truly effective in witnessing today we need to remember to actively blend apologetics, evangelism, and discipleship.

ROOTED

RESTED

REACHING

DISCIPLESHIP

To be truly effective in witnessing today we need to remember to actively blend apologetics, evangelism, and discipleship.

Observation

“When you and I are rooted and rested in Christ, we will be **more ready** to given an answer for the hope we have in Christ!”

What Does It Mean to be Ready?

1 Pet. 3:15 (ESV) says,

“But in your hearts honor Christ the Lord as holy, always being prepared (ready) to make a defensive to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect,”

Being Ready

“Being ready is not just a matter of having the right information available, it is also an attitude of readiness and eagerness to share the truth of what we believe.”

Norman Geisler, Baker Encyclopedia of Christian Apologetics, p. 37

BEING READY

The Greek word for ready (Hetoimos) is used in Matt 24:44 and Luke 12:40 to communicate the idea that as Christians we need to anticipate Christ's return.

WHAT DOES IT MEAN TO “BE READY” IN 1 PET. 3:15?

If we combine 1 Peter 3:15 with 2 Corinthians 10:5 and 1 Cor. 9:22, it is clear that our responsibility is also to eagerly anticipate the questions and objections and remove barriers whether others ask us a specific question or not!

That Was The Apostle Paul's Practice!

Being Ready means...

You and I should be **so changed** by Christ that **we care so much** about the lost around us that **we will eagerly look for those opportunities** to remove barriers and help them take steps to the cross, **whether we are asked** specific questions or not.

Observations:

- When you and I have this eager anticipation, we will have a greater impact on people.
- You and I will have this greater eagerness when you and I are a certain kind of disciple of Christ.
- A disciple who's rooted and rested and has an eager readiness to give an answer for the hope we have.

The Bottom Line Concerning 1 Peter 3:15

If we are going to be able to fulfill the imperatives of 1 Peter 3:15 in today's world, we must understand our responsibilities as being more than just giving answers if asked!

We must eagerly work to remove their barriers!

What is the Goal of Apologetics in Evangelism?

“To remove the obstacle so that we can help others take one step close to Jesus Christ every day!”

- Dr. David Geisler

SCRIPTURE COMMANDS US TO DEFEND THE FAITH

Apologia (Greek)- “to defend.”

(1 Pet. 3:15 NKJ)

DISCIPLESHIP

To be truly effective in witnessing today we need to remember actively blend apologetics, evangelism, and discipleship.

Our Convictions at NGIM About Teaching This New Trifecta

- 1. We are more effective when our words match how we actually live fueled by our desire to fulfill God's mandate for our lives.**
- 2. We are more intellectually effective in our use of apologetics when we practice a classical model using a 12 Points approach.**
- 3. We are more individually effective in witnessing when we practice an apologetic/evangelistic approach that is more conversational, more indirect at first, and builds a bridge to the spiritual from the point of their interest, not our own.**

Summarizing what I learned in my journey in discipleship

Without a comprehensive approach to teaching an apologetic approach that blends not only evangelism but also *the missing key of discipleship*, several things may happen:

1. Our words will not match the testimony of our lives and that alone will be a cause for our witness to fall on deaf ears.
2. Our disciples will not be motivated to use the tools we teach them because they won't have the right heart for God.
3. We will not use these tools correctly because we will not have the right posture and perspective in our walk with Christ which comes from a foundation of *understanding our own spiritual poverty*.

The devil has a plan to distort the truth in order to weaken our faith and dilute our witness.

How do we guard against the Devil's plan?
